Together we celebrate the 10th edition of the largest freely accessible event in the Netherlands, 50 years of SAIL and the 750th anniversary of our capital. In the nautical setting of international Tall Ships and thousands of boats, 2.3 million visitors will come together from August 20 to 24, 2025. The IJ harbour turns orange and up to the NDSM-werf there will be top entertainment next and on the water for 5 days. You have to be here!

Various packages have been put together especially for your staff, relations and groups of 8 or more people. You can choose between three categories of (sailing) packages that matches the experience and number of people you desire. The (sailing) packages vary from different time slots of the day, duration, type of ship and hospitality (food & drinks). The SAIL Hospitality team is here to help you choose the right package that matches your wishes.

All sailing trips during SAIL are offered exclusively on SAIL.nl or through one of our accredited partners. You can recognize our partners by the 'Official Fleet' logo. Only these organizations have exclusive access to the event with their ships. The largest freely accessible event in the Netherlands can only be organized thanks to the support of partners and the sale of boat trips. By booking a boat trip you contribute to making SAIL possible!
